📍 Gulshan-e-Iqbal, Karachi, Pakistan

👤 PROFILE

I am a passionate Programmer, my core expertise is in MERN Stack (MongoDB, Express, React & Nodejs), Security JWT, and NoSQL Databases. Always at the forefront to grasp the concept and overview of modern technologies. As a Computer Systems Engineer, I have worked on multiple projects ranging from Desktop apps, Web Apps, and Mobile Apps. Having outstanding knowledge of React-Redux, Redux thunk, Redux Sagas, React Hooks, Web Services, and Data Structures and Algorithms.

🎓 EDUCATION

Computer Systems Engineering

12/2016 – 11/2020 | Nawabshah

🧠 SKILLS

React.js	████████████████████
